Milton Mills Free Public Library

TRUSTEES' REPORT

During the past year we have had the interior of the building redecorated and the improvement is very marked. The outside should have one coat of paint this Spring.

We have added by purchase 134 books. Mrs. Katherine Marsh very kindly donated 25 books.

We expect to add more books in the near future, and as soon as they are received we will issue a catalogue of all the books in the library.

This will be a long needed improvement and one that has been requested many times by those who take out books.

In June, 1929, the New Hampshire Savings Bank of Concord, N. H., declared an extra dividend amounting to Six Hundred Seventy-Five Dollars. Your Trustees were of the opinion that this amount should remain on deposit that the income may be larger in future years and the principal nearer the sum left the Town by Mr. Nute.

Milton, N. H., February, 1930.

We certify that we have examined the accounts of the Selectmen, Town Treasurer, Town Clerk, Collector of Taxes, Trustees of Trust Funds and Trustees of the Free Public Library, and find them correctly cast and properly vouched.

We have examined all bank books held by the Trustees of Trust Funds and find them correct.

The Collector's book shows that all taxes submitted to him for collection have been paid to and receipted for by the Town Treasurer except those abated by the Selectmen.

SUPERINTENDENT'S REPORT

To the School Board of Milton:

It is my privilege to submit to you, and through you to the citizens of the town, my eleventh annual report as superintendent of the schools of Milton. The report of the headmaster of Nute High School and the report of the school nurse will follow.

Last spring several changes were made affecting the supervisory unions in this vicinity. One union was eliminated, the towns of which it was composed being added to other unions. As a result of these changes Farmington was added to Supervisory Union No. 41. This union now has nineteen more teachers than it contained last year.

Under these conditions, of course, I have not been able to give as much time to the Milton schools this year as formerly.

The following table contains the usual statistics relating to the elementary schools:

There are five new teachers in our schools this year—two in Nute High School and three in the elementary schools.

The new teachers in the high school are Mr. E. O. Judkins, University of Maine 1923, and Doris H. Clifford, U. of N. H. 1929.

The new teachers in the elementary schools are Mr. Alvin A. Newell, who has trained at the University of Maine, Farmington Normal School, and Keene Normal School; Miss Valna I. Lover, Keene Normal School 1926, and Miss Florence H. Nye, Aroostook Normal School 1926.

HEALTH WORK

The work of medical inspection in the schools has been under the direction of Miss Cordelia Davidson as for several years past. Her report will follow.

I wish to thank those local organizations which made it possible for us to have another dental clinic at Milton last spring. The dentist has informed me that he found the pupils' teeth in far better condition than on the preceding year. This is a natural consequence of the former clinic. In order for this work to be effective a clinic should be held every year. I hope that a way will be found to make it possible to hold clinics in both villages next spring.

I would call your attention once more to the school at South Milton, which is maintained jointly by Milton and Rochester.

The number of Milton pupils this year is four, while there are sixteen from Rochester. Milton pays

two-thirds of the costs. Thus the cost to the District is approximately \$750 per year. These pupils could be transported to our village schools at a saving probably of one-half the present expense. Transportation by automobile over this short route on the state road would be no hardship to anyone.

This joint district can be discontinued by a vote of the citizens of Milton at the annual meeting. The School Board of Rochester have no objection to this action. I recommend that this action be taken.

Respectfully submitted,

FRED W. DUDLEY,

Superintendent of Schools.

REPORT OF HEADMASTER OF NUTE HIGH SCHOOL

*To the Superintendent of Schools and the Members of
the Board of Trustees:*

The school year opened September 3 with an enrollment of seventy-four, seventeen seniors, fifteen juniors, twenty-two sophomores, and twenty-one freshmen. We now have seventy-five pupils of which number twenty-four are tuition pupils.

Twelve pupils are registered for the college preparatory curriculum and sixty-three for the general business.

The general business curriculum has been enriched and broadened by the substitution of junior business practice for commercial arithmetic in the freshman year, and the giving of a complete bookkeep-

ing course in the sophomore year. These are to be followed by the introduction of typewriting and correspondence in the junior year and office practice in the senior year. Other commercial courses are commercial history and geography and economics and commercial law.

Extra-curricular activities consisting of base ball, basket ball, prize speaking, dramatics, the school publication, orchestra, chorus, and scholarship day round out the program.

To meet the state requirements and replace worn out books it has been necessary to buy new texts for English, junior business practice, history of civilization, modern European history, and reference books for sociology and economics and law.

The attendance has been high and the school spirit good.

Respectfully submitted,

E. O. JUDKINS.

With the co-operation of a number of the local organizations and parents we were able to have a dental clinic at Milton Grammar School last spring—ninety-six children having dental work done at a minimum price. We are in hopes to be able to raise money for clinics at Milton Mills and Milton Grammar Schools this spring. We also had a vaccination clinic in Milton Grammar School last fall.

I wish to thank you for your co-operation and interest during the past year.

Respectfully submitted,

CORDELIA DAVIDSON, R. N.
